PRATTONIA 2009

→ THIS PRATTONIA IS CUSTOM
LIKE YOU, 100% UNIQUE.

The covers were created using discarded cardboard from Pratt Institute's Brooklyn Campus and its surrounding community.

Each cover has been hand screen printed at the Pratt campus using water-based inks.

NO TWO ALIKE.

The typeface Sprang Eco Sans consists of a hole-punched design resulting in 20% less ink usage than other typefaces.

EACH OF OUR YEARS AT PRATT
HAS MOLDED US INTO WHO WE
ARE TODAY AND WHO WE WILL
BECOME TOMORROW.

Prattonia was sized to maximize paper use and minimize paper waste.

THE PRATTONIA TEAM WANTS YOU TO
LEAVE WITH THIS SUSTAINABLE
SCRAP OF PRATT THAT SERVES
AS A REMINDER OF WHO YOU
WERE.

Our purchase of this paper aids in the annual contribution of \$275,000 to the World Wildlife Fund.

WE MAY NOT BE
ABLE TO RECREATE OUR PRATT
EXPERIENCES, BUT WE CAN
CERTAINLY CARRY THEM WITH
US IN THE YEARS TO COME.

The paper used is FSC-certified and contains 10% post-consumer fiber.

The applied ink contains zero Volatile Organic Compound emissions and is soy-based.
